

<b>Forma farmaceutike</b>	<b>Kategorija farmaceutike</b>
Oral drops, solution	Oral preparations - liquid and semi-solid forms
Oral drops, suspension	Oral preparations - liquid and semi-solid forms
Oral drops, emulsion	Oral preparations - liquid and semi-solid forms
Oral liquid	Oral preparations - liquid and semi-solid forms
Oral solution	Oral preparations - liquid and semi-solid forms
Oral suspension	Oral preparations - liquid and semi-solid forms
Oral emulsion	Oral preparations - liquid and semi-solid forms
Oral gel	Oral preparations - liquid and semi-solid forms
Oral paste	Oral preparations - liquid and semi-solid forms
Powder for oral solution	Oral preparations - liquid and semi-solid forms
Powder for oral suspension	Oral preparations - liquid and semi-solid forms
Granules for oral solution	Oral preparations - liquid and semi-solid forms
Granules for oral suspension	Oral preparations - liquid and semi-solid forms
Powder and solvent for oral solution	Oral preparations - liquid and semi-solid forms
Powder and solvent for oral suspension	Oral preparations - liquid and semi-solid forms
Lyophilisate for suspension	Oral preparations - liquid and semi-solid forms
Syrup	Oral preparations - liquid and semi-solid forms
Powder for syrup	Oral preparations - liquid and semi-solid forms
Granules for syrup	Oral preparations - liquid and semi-solid forms
Soluble tablet	Oral preparations - liquid and semi-solid forms
Dispersible tablet	Oral preparations - liquid and semi-solid forms
Herbal tea	Oral preparations - liquid and semi-solid forms
Oral jelly	Oral preparations - liquid and semi-solid forms
Capsule	Oral preparations - solid forms
Oral powder	Oral preparations - solid forms
Instant herbal tea	Oral preparations - solid forms
Effervescent powder	Oral preparations - solid forms
Granules	Oral preparations - solid forms
Effervescent granules	Oral preparations - solid forms
Gastro-resistant granules	Oral preparations - solid forms
Prolonged release granules	Oral preparations - solid forms
Modified release granules	Oral preparations - solid forms
Cachet	Oral preparations - solid forms
Capsule, hard	Oral preparations - solid forms
Capsule, soft	Oral preparations - solid forms
Gastro-resistant capsule, hard	Oral preparations - solid forms
Gastro-resistant capsule, soft	Oral preparations - solid forms
Chewable capsule, soft	Oral preparations - solid forms
Prolonged release capsule, hard	Oral preparations - solid forms
Prolonged release capsule, soft	Oral preparations - solid forms
Modified release capsule, hard	Oral preparations - solid forms
Modified release capsule, soft	Oral preparations - solid forms
Tablet	Oral preparations - solid forms
Coated tablet	Oral preparations - solid forms
Film coated tablet	Oral preparations - solid forms
Effervescent tablet	Oral preparations - solid forms
Orodispersible tablet	Oral preparations - solid forms
Oral lyophilisate	Oral preparations - solid forms
Gastro-resistant tablet	Oral preparations - solid forms
Prolonged-release tablet	Oral preparations - solid forms
Modified-release tablet	Oral preparations - solid forms
Chewable tablet	Oral preparations - solid forms
Medicated chewing-gum	Oral preparations - solid forms
Oral gum	Oral preparations - solid forms
Pillules	Oral preparations - solid forms
Continuous release intraruminal device	Oral preparations - solid forms
Pulsatile-release intraruminal device	Oral preparations - solid forms
Lick block	Oral preparations - solid forms

<b>Forma farmaceutike</b>	<b>Kategorija farmaceutike</b>
Premix for medicated feeding stuff	Oral preparations - solid forms
Medicated pellets	Oral preparations - solid forms
Gargle	Oromucosal preparations
Concentrate for gargle	Oromucosal preparations
Gargle, powder for solution	Oromucosal preparations
Gargle, tablet for solution	Oromucosal preparations
Oromucosal solution	Oromucosal preparations
Oromucosal suspension	Oromucosal preparations
Oromucosal drops	Oromucosal preparations
Oromucosal spray	Oromucosal preparations
Sublingual spray	Oromucosal preparations
Mouth wash	Oromucosal preparations
Mouth wash, tablet for solution	Oromucosal preparations
Gingival solution	Oromucosal preparations
Oromucosal gel	Oromucosal preparations
Oromucosal paste	Oromucosal preparations
Oromucosal cream	Oromucosal preparations
Gingival gel	Oromucosal preparations
Gingival paste	Oromucosal preparations
Oromucosal capsule	Oromucosal preparations
Sublingual tablet	Oromucosal preparations
Muco-adhesive buccal tablet	Oromucosal preparations
Buccal tablet	Oromucosal preparations
Lozenge	Oromucosal preparations
Compressed lozenge	Oromucosal preparations
Pastille	Oromucosal preparations
Periodontal powder	Oromucosal preparations
Dental gel	Preparations for dental use
Dental stick	Preparations for dental use
Dental insert	Preparations for dental use
Dental powder	Preparations for dental use
Dental solution	Preparations for dental use
Dental suspension	Preparations for dental use
Dental emulsion	Preparations for dental use
Toothpaste	Preparations for dental use
Periodontal gel	Preparations for dental use
Periodontal insert	Preparations for dental use
Bath additive	Cutaneous and transdermal preparations
Cream	Cutaneous and transdermal preparations
Gel	Cutaneous and transdermal preparations
Ointment	Cutaneous and transdermal preparations
Cutaneous paste	Cutaneous and transdermal preparations
Medicated plaster	Cutaneous and transdermal preparations
Cutaneous foam	Cutaneous and transdermal preparations
Shampoo	Cutaneous and transdermal preparations
Cutaneous spray, solution	Cutaneous and transdermal preparations
Cutaneous spray, suspension	Cutaneous and transdermal preparations
Cutaneous spray, powder	Cutaneous and transdermal preparations
Cutaneous liquid	Cutaneous and transdermal preparations
Cutaneous solution	Cutaneous and transdermal preparations
Concentrate for cutaneous solution	Cutaneous and transdermal preparations
Cutaneous suspension	Cutaneous and transdermal preparations
Cutaneous emulsion	Cutaneous and transdermal preparations
Cutaneous powder	Cutaneous and transdermal preparations
Solution for iontophoresis	Cutaneous and transdermal preparations
Transdermal patch	Cutaneous and transdermal preparations
Collodion	Cutaneous and transdermal preparations
Medicated nail laquer	Cutaneous and transdermal preparations

<b>Forma farmaceutike</b>	<b>Kategorija farmaceutike</b>
Poultice	Cutaneous and transdermal preparations
Cutaneous stick	Cutaneous and transdermal preparations
Cutaneous sponge	Cutaneous and transdermal preparations
Impregnated dressing	Cutaneous and transdermal preparations
Collar	Cutaneous and transdermal preparations
Medicated pendant	Cutaneous and transdermal preparations
Ear tag	Cutaneous and transdermal preparations
Dip solution	Cutaneous and transdermal preparations
Dip suspension	Cutaneous and transdermal preparations
Dip emulsion	Cutaneous and transdermal preparations
Concentrate for dip solution	Cutaneous and transdermal preparations
Concentrate for dip suspension	Cutaneous and transdermal preparations
Concentrate for dip emulsion	Cutaneous and transdermal preparations
Concentrate for solution for fish treatment	Cutaneous and transdermal preparations
Powder for suspension for fish treatment	Cutaneous and transdermal preparations
Pour-on solution	Cutaneous and transdermal preparations
Pour-on suspension	Cutaneous and transdermal preparations
Pour-on emulsion	Cutaneous and transdermal preparations
Spot-on solution	Cutaneous and transdermal preparations
Spot-on suspension	Cutaneous and transdermal preparations
Spot-on emulsion	Cutaneous and transdermal preparations
Teat dip solution	Cutaneous and transdermal preparations
Teat dip suspension	Cutaneous and transdermal preparations
Teat dip emulsion	Cutaneous and transdermal preparations
Teat spray, solution	Cutaneous and transdermal preparations
Transdermal system	Cutaneous and transdermal preparations
Solution for skin-prick test	Cutaneous and transdermal preparations
Solution for skin-scratch test	Cutaneous and transdermal preparations
Plaster for provocation test	Cutaneous and transdermal preparations
Eye cream	Eye preparations
Eye gel	Eye preparations
Eye ointment	Eye preparations
Eye drops, solution	Eye preparations
Eye drops, suspension	Eye preparations
Eye drops, powder and solvent for solution	Eye preparations
Eye drops, powder and solvent for suspension	Eye preparations
Eye drops, solvent for reconstitution	Eye preparations
Eye drops, prolonged release	Eye preparations
Eye losion	Eye preparations
Eye losion, solvent for reconstitution	Eye preparations
Ophthalmic insert	Eye preparations
Eye drops, emulsion	Eye preparations
Ear cream	Ear preparations
Ear gel	Ear preparations
Ear ointment	Ear preparations
Ear drops, solution	Ear preparations
